Mob: 9986563095.

What I look for

1. To gain valuable experience in any organization by working on technically challenging and personally motivating assignments.
2. To contribute significantly to the growth of the organization, at the same time enhance my technical and personal skills and to be rewarded accordingly.

Me in a nutshell

I am an M.pharm in Pharmacognosy from Al-Ameen College of Pharmacy, Bangalore, Under Rajiv Gandhi University of Health sciences, Sept. 2004. Presently I am on the verge of completing PhD (Full time) from the same institution. I have finished my graduation (B.Pharm) from Krupanidhi College of Pharmacy, Nov. 2001. I have worked as a dynamic teaching faculty in the dept. of Pharmacognosy in Krupanidhi college from Jan 2005 to May 2006. I am also engaged in teaching 3rd yr B.Pharm and D.Pharm during my PhD in Al Ameen College of pharmacy. I have handsome experience in handling different instruments like HPTLC, UV, Column chromatography etc.

Education

Degree/ Course Details	Year Of Passing	University	Percentage
Phd	June 2006-June 2009	Al Ameen college of pharmacy.	69.8%
Full time			
M.Pharm	2004	Al Ameen College of Pharmacy	71.5%
B.Pharm	2002	Krupanidhi College of Pharmacy	65.8%
